Date		Code	P <sup>1</sup>	Activities			Cover (%)	Ref. n°	Impacts			Habitat Code (MedWet)
M	Y			T <sup>2</sup>	I <sup>3</sup>	Code			E <sup>4</sup>	Ref. n°		

- <sup>1</sup> P - Position:                      **1** – Inside the site boundaries; **2** – Outside the site boundaries; **3** – Both inside and outside the site boundaries.
- <sup>2</sup> T - Trend:    **1<sup>st</sup> character:**    **0** – Unknown; **1** – Past activity; **2** – Current activity; **3** – Predicted activity.  
                          **2<sup>nd</sup> character:**    **0** – Unknown; **1** – Activity likely to increase; **2** – Activity likely to decrease; **3** – Activity likely to stop  
    **4** – Stable.
- <sup>3</sup> I - Importance:  
                          **1<sup>st</sup> character:**    **1** – Subsistence level; **2** – Local level; **3** – Regional level; **4** – National level.  
                          **2<sup>nd</sup> character:**    **0** – Unable to specify; **1** – Minor importance; **2** – Important; **3** – Very important.
- <sup>4</sup> E - Scale:                            **0** – Unknown  
    **1** – No major effect on major wetland values;  
    **2** – Some effect on major values but not significant;  
    **3** – Some reduction of major wetland values;  
    **4** – Significant reduction of major wetland values;  
    **5** – Lost of one or more wetland values;  
    **6** – Some enhancement of wetland values;  
    **7** – Significant enhancement of wetland values.
