

Country: _____

Compiler's name: _____

Address: _____

Phone: _____ Fax: _____ e-mail: _____

Date of compilation / Date of update: / /

1. Identification

X	X	N	N	N	N	N	N	S	S

Other codes:

SCI										TR*		%	
SPA													
RAMSAR													

* TR: Type of Relation
 (=) the sites coincide
 (+) The wetland includes the entire site
 (-) wetland is completely included in the site
 (*) the two sites overlap partially

Usual wetland name:

Other names: _____

Country:

Y (yes) N (no)

 Part of a complex?

Name of the complex: _____

2. Location

2.1. Geographic location

Site coordinates

Latitude		°		′		″		Longitude		°		′		″	
----------	--	---	--	---	--	---	--	-----------	--	---	--	---	--	---	--

 Other coordinates: X=

 Y=

 Coordinate system:

Site area (ha):

Exact value?		
--------------	--	--

River length (km):

Remarks: _____

Altitude (m): Minimum: _____ Maximum: _____ Mean: _____

Complex coordinates:

Other coordinates:

°	'	"	N		°	'	"			X		Y	
---	---	---	---	--	---	---	---	--	--	---	--	---	--

2.2. Administrative location

Administrative divisions:

Codes (NUTS)	Description	Subdivision(s)	Cover (%)

Access, landmarks:

Nearest town: _____

2.3. Hydrographical location

Catchment area code:

Name of the catchment area:

3. Description

3.1. General wetland description

Category ¹ :		1 – Marine / coastal; 2 – Inland; 3 – Artificial.
Dominant Salinity ¹ :		0 – No available information; 1 – Fresh (< 0,5 g/l); 2 – Fresh/brackish (0,5-5,0 g/l); 3 – Brackish (>5,0-18,0 g/l) ; 4 – Brackish/salty (>18,0-30,0 g/l); 5 – Salty (> 30,0 g/l).
Presence of water ¹ :		1- Permanent; 2 – Seasonal; 3 – Temporary/ intermittent

¹ in case of a complex site, you can choose more than one possibility

3.2. National dominant type:

Code		cover (%)	
------	--	-----------	--

RAMSAR

code	cover (%)	code	cover (%)	code	cover (%)	code	cover (%)

4. Condition

Condition

- 1 - Unknown
- 2 - Untouched. No signs of man/made changes
- 3 - Original habitats/landform still predominant (>50%)
- 4 - Original habitats/landform partially modified(10-50% untouched)
- 5 - Original habitats/landform highly modified (<10% untouched)
- 6 - Original habitats/landform totally changed

5. Protection Status

Codes	Name of designated site	Legislation	Cover (%)

6. Site Tenure

Area (%)	Public	Private

7. Management

Name of the management authorities:

Management plan under implementation (y/n)

Plans and conservation measures:

8. Cartography

Map or aerial photo with the limits of the wetland exists (y/n)
