7th Meeting of the Mediterranean Wetlands Committee

Kampala, Uganda, 8-15 November 2005

Dear friends and colleagues,

As you will have seen from the agenda of the 9th Conference of the Contracting Parties of the Ramsar Convention (Kampala, Uganda, November 2005), and according to the Rules of Procedure of the Mediterranean Wetlands Committee, the 7th meeting of the MedWet/Com will be held on Tuesday 8 November at the venue of COP9, Speke resort Munyonyo. Committee members not registered for COP9 will to obtain badges before entry is possible, so these delegates not registered previously are urged to arrive as early as possible.

This is an important meeting in which issues of central significance to MedWet will be discussed, including:

- The MedWet Initiative Terms of Reference;
- The Strategic Priorities for the work of MedWet for the triennium 2006-2008;
- The MedWet Coordination Unit budget for the triennium.

Your participation in the meeting is therefore necessary, in order to discuss these important issues, plan together for our common goals and work for the triennium, and prepare as necessary for the issues concerning MedWet in the COP9 agenda.

Along with this invitation we are sending you the pack of the MedWet/Com7 meeting documents in English. The documents will be soon available in French and will also be sent to you. All documents will be posted in both languages on the MedWet website (www.medwet.org)

In the Document pack for MedWet/Com7 you will find the **MedWet/Com7 - Registration form**. Please take a minute to fill it in and send back to us by email (mantziou@medwet.org) or fax (+30-210-8089274).

For reasons of economy, this document is printed in a limited number, and will not be distributed at the meeting. Delegates are requested to bring their copies to the meeting and not to request additional copies.

We look forward to seeing you all in Kampala,
